ARCHITECTS

Every graduate of New Market High School should, like an architect, be able to think clearly, to understand people, and to apply learning in his choice of profession. He should realize that a thorough elementary and high school education is needed in any field of endeavor and that it is here that he should prepare the BASIC DESIGN for LIVING.

BUILDING our lives physically, mentally, and spiritually.

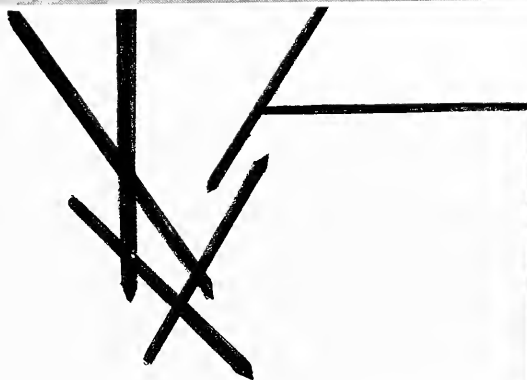

DEDICATION

Throughout our four years of relationship with Mr. Paul Wilson, he has given us the finest teaching and counseling possible.

We, the Senior Class of 1962, thank Mr. Wilson for helping us make the "blueprints" for our future.

In the 1961-62 Montgomery County Tourney the New Market Flyers dethroned the New Ross Blue Jays 62-59 to capture the County Crown. The last time the Flyers won top honors was in 1958. New Market also obtained the traveling keg in the thriller to keep it the remainder of the season.

On the way to the top the Flyboys routed Alamo 79-52 and Ladoga 57-45. New Market defeated both teams in the regular season's play.
